# NEVER RALLIED BEFORE?

HERE IS A GUIDE OF WHAT TO EXPECT.....

## **WHAT IS A RALLY**

A rally is a gathering of Caravan and Motorhome Club Members who enjoy weekends with friends in the open air.

## **THE RALLY OFFICER**

Is a friendly face who will meet you when you arrive. Your Rally Officers will have arranged the venue and any social activities for you.

## **WHAT TO DO**

After you have booked in and the weekend arrives. Just follow the directions on your Rally form, as you approach the rally field look out for the centre signs. When you arrive look for the Rally Officers caravan it will be near the entrance marked Rally Office. You will be given an envelope, which will contain details of the weekend. It is intended that it is put in the window on the offside corner. You will be shown to your pitch and you should put the offside corner of your van onto the marker peg. Then put your car on the offside of your van parallel to your van. You will be shown where to get fresh water and where the elsan disposal point is. Unless told otherwise you are requested to take your general waste home.

## **SOCIAL ACTIVITIES**

The Rally may include a social, a family event which may be a disco, quiz night or just background music so you can meet and talk to other ralliers. The weekend may include competitions or games for young and old alike. All these are entirely optional but are generally good fun. You can take part in as much or as little as you wish.

## **FLAG POLE**

This usually takes place on a Sunday morning about 11.00am and is just a chance for everyone on the rally field to get together with a cup of tea or coffee and hear the results of the competitions, welcome new ralliers and visitors, announce forthcoming events and rallies. Thank the Rally Officer for the weekend.

## **WHAT WILL I NEED**

To go to a rally you will need your own toilet facilities, the means to collect your own fresh water and a waste water container. A fully charged battery, as most rallies are off grid. A solar panel is very helpful to keep your battery topped up during the weekend. If you need assistance there is always someone who can help or advise.
